PREPARING FOR OUR ANNUAL DANCE SHOWCASE!

It is the time of year when we begin preparing for the Student Dance Showcase 2011. The theme of this year's Showcase is "SDA'S Heroes of Today & Tomorrow" . We will be starting routines in all classes in January. This really is a fun time for our studio. We get just as excited as the dancers! Each class will spend a very short amount of time on their routines as we are training dancers, not making dances. The technique we have been teaching will make it easier for our dancers to learn their choreography. Because we spend only a short amount of time teaching show choreography it is very important that all of our dancers attend all their classes. We will not be able to re-teach segments of the routines if you were unable to attend class. It also is very hard for the rest of the class when someone is missing as the formations of the routine are then altered. Even if you have decided not to perform in the show, dance class at Spotlight will remain the same as always, lots of fun and lots of learning. We continue all through the year with our same goals and values of dance. All of our dancers will continue to learn new things in all levels and aspects of our classes.

2010 COMPETITION KICK OFF

This is going to be a another fabulous Kick Off for SDA's Competitive Troupe! The Kick-Off will take place on January 22, 2011 at Grand Haven High School. There will be a meet and greeting all of the Competitive Troupe Dancers from 5:00-5:30pm. The performance will start at 5:30pm. We would love for you to join us after the performance for some delicious desserts and a chance to see why we feel these young dancers are HEROES in their own right! Tickets for the Kick Off can be purchased from any Competitive Troupe member or at the front desk. \$10 for the performance and an additional \$5 for dessert.
