

SDA 2017-2018 Pre-Reg and Registration Process

Dear Potential SDA Family:

Thank you for taking class with us this summer! All of our summer students receive a recommendation for classes in the fall. Included with this form is a tentative schedule for the 2017-2018 dance season.

We have highlighted which class(s) we feel would best suit your dancer based on their age, ability and our experience and knowledge from working with them. We have tried our hardest to make your dancer's schedule as convenient as possible. Note that even though we may recommend a specific day for your child if your schedule prohibits that day, you may select a different day as long as it is the same class level recommended. Particularly, we offer several options for students ages 3-8 enrolled in our Children's program. Please review the attached schedule as although we have made the recommendations based on the current genre (tap, ballet etc) your student takes, we offer others they may be interested in.

Class sizes will be limited and **pre-registration** will be on first come basis. **Be sure to register early to get the class(s) you want. Additionally, talk to us NOW about adding new dance disciplines for next season. Don't wait, classes may fill.**

During this time, we ask that you go online and update your contact information on our portal. It is critical we have current information for your family in order to best communicate with and/or contact you throughout the season.

Our pre-registration for **new** students begins July 10, 2017. **There is a \$25.00 registration fee for the first dancer and \$40.00 per family** for more than one dancer. This fee is non-refundable but will hold your class spot for the 2017-2018 year.
